

Alex Pader

Regional Senator

Napa Valley College/Region II

My name is Alex Pader and I'm 23 years old. I have spent most of my life living in Napa Valley's countryside; this gave me a great appreciation for the outdoors and the environment. This also led me to Scouting where I earned the rank of Eagle. After graduating New Technology High School in 2004, I lived in San Francisco from 2004 to 2006 and attended San Francisco City College part-time. Following my stay at SFCC, I went to Silver State Helicopter Academy from 2006 to 2008 to become a certified flight instructor in Oakland.

The largest helicopter flight school went bankrupt and I was back in the community college system as a fulltime student. This was really for the best as I love flying recreationally but wouldn't want to do it professionally. I am currently enrolled at Napa Valley College. My dream is to receive a Political Science degree from a Sacramento State University.

In fall 2007 I became involved in my local Senate at Napa Valley College and became a board member in 2008 as a Senator of Social Science. The students of Napa Valley then elected me for a full term for 2008-2009 as a Legislative Advisor which I graciously served. At the spring 2008 General Assembly I became the Vice-Chair of Region II and within months became the Region Chair. As a regional officer, I helped build the region in three ways:

1. By bringing the active colleges from 3 to 9
2. Writing and getting our region Bylaws passed
3. Working on advocacy as we encompass the Sacramento area.

Community service and duty are beliefs that I hold strong and I hope to serve all community college students to the best of my abilities. It is truly an honor and privilege to represent California Community College students.

SSCCC Committees:

Governmental Relations Committee
Relations with Local Senates Committee
Rules Committee

We at the Student Senate serve for the benefit of all California Community College students, so please feel free to share your thoughts with me. I can be reached with the information below.
