

Christian Younger

Regional Senator

Lassen Community College/Region I

I had my first taste of student government as the President of Phi Theta Kappa at Lassen Community College. I served for two years. At the end of my first year I was asked to consider running for the Student Trustee of Lassen Community College. I fortunately won and served my term. I then became more involved in the politics that represent our student body. I decided to run for a second term and won again. At the student trustee conference that August, it was suggested I run for SSSCC Region I Senator. I decided to run and again was successful. I vowed to make sure that the Northern-California small colleges were heard from! I was happy over the last year to have been involved in our general assemblies, both fall and spring. I was also a very big influence in the Mass Fax Day protest. I have enjoyed working with my fellow Senators over the past year and know this will be an even bigger year for the SSSCC.
