

CALIFORNIA COMMUNITY COLLEGES CHANCELLOR'S OFFICE
GENERAL ASSEMBLY ATTENDEE CONDUCT POLICY

Background: The Chancellor's Office provides annual funding and administrative support for the operation of the Student Senate for California Community Colleges, including contracting with hotel vendors to secure venues for the monthly SSSCC Board meetings and the fall and spring General Assemblies. The Chancellor's Office bears responsibility for ensuring that actions of the Student Senate do not expose the Board of Governors or the California Community Colleges system to financial liabilities or unnecessary criticism resulting from illegal or inappropriate conduct. To that end, this policy delineates standards of expected conduct, the consequences for violation of those standards, and the process that will be followed in the event a violation occurs.

Scope: All attendees of the General Assembly for whom colleges apply local requirements are accountable to their college's Code of Conduct and District Travel Policy, which may include requirements that exceed those of this policy. All attendees are also expected to abide by the minimum standards of conduct set forth below. In addition, specific practices are prohibited.

Basic Philosophy of Responsible Conduct

- A. The concern of each participant for the rights of every individual. Each participant is responsible for his or her actions at all times. It is essential for all attendees to act responsibly to ensure that their own conduct is beneficial not only to themselves and to their fellow participants.
- B. All attendees are expected to act in a respectful manner, in both language and action, when interacting with other students, advisors, CCCCCO staff, as well as hotel staff and guests.
- C. All facilities placed at the disposal of the attendees are to be given the greatest care and attention.
- D. The SSSCC and CCCCCO expects all attendees to adhere to the Standards of The California Community Colleges Chancellor's Office General Assembly Attendee Conduct Policy.

General Assembly Prohibited practices

- B. Possession, use, or distribution of illegal drugs or related paraphernalia
- C. Possession of any firearm, illegal knife, explosive or other weapon
- D. Assault, or deliberate physical injury to another person e.g. Sexual harassment, unwanted sexual advances and sexual assault

- F. Disruptive behavior or the behavior that threatens the health and or safety of others.
- G. Discrimination, harassment and bullying against any individual on the basis of race, ethnicity, age, gender, gender identity, sexual orientation, physical and/or mental disability, or political ideologies. Such discrimination, harassment and bullying has the effect of creating a hostile or intimidating environment sufficiently severe or pervasive to substantially impair a reasonable person's participation in CCCCCO sponsored events or activities.
- H. Threatening or harassing behavior conveyed by written or electronic means, including, but not limited to email, social media, texting and online

Response to Violations:

All attendees will be held personally responsible for any damages they cause to any facility while attending an event. Individuals who are dismissed for conduct violations will not receive a refund of conference registration fees.

Depending on the nature of the violation of this policy and the circumstances, the Chancellor's Office may take any or all of the following actions:

- 3) Notification of local authorities.
