Calling all Students!

Join us for our listening tour

The recent social events have called many of the California community college administrators and faculty to act to improve student success for black and other students of color. While some recent webinars included the voice of students, they were few. The Student Senate for California Community College wants to hear from students of color about their experiences and learn from them in order to implement an action plan to improve the campus climate.

**TUESDAY
AUGUST 4, 2020**

2:00PM - 4:00PM
