# OPPORTUNITY SPOTLIGHT

## Region I Intern

Student interns are part-time SSCCC staff members who serve as designated "staff support people" for each region. Interns also get the opportunity to work on various projects in different areas throughout the internship, including but not limited to:

- Marketing (social media/web design)
- Outreach (listening campaigns/campus visits)
- Legislative affairs (bill analysis/meetings with legislators)
- Policy writing (drafting board policies/procedures)

If you have any questions about the internship please reach out to Sean, the Region I Intern ([sean@ssccc.org](mailto:sean@ssccc.org)). The application can be found on the SSCCC website under "Who We Are" / "Job Opportunities." Applications will be accepted until May 8<sup>th</sup>.

# DEI LISTENING SESSION

On April 2<sup>nd</sup>, the SSCCC kicked off its DEI Student Listening Session Tour at Butte College! Region I's Vice Chair and Communications Officer brought their experience and expertise both as Butte College students and SSCCC Regional Board members to the session!

Students, staff and faculty all came together to learn about the SSCCC's DEI advocacy efforts. Those present also shared their experiences and needs for furthering discourse around diverse student support both locally and at the statewide level.
