From the Desk of the Communications Officer

Dear Region IV,

Today, let's talk a little about the SSCCC, because when we're saying "SSCCC this, SSCCC that", it can be easy to forget the big picture of what we *actually do* for you, our constituents.

The Student Senate for California Community College's mission, above all else, is to pursue policies to improve student access, while engaging and empowering local student leaders.

In layman's terms, we represent you and your interests at the regional and state level, and act on your behalf as a unified and cohesive group, as you entrust us to do through the Student Representation Fee with which we are provided.

With gratitude,
George Little
