LETTER FROM THE REGIONAL AFFAIRS DIRECTOR

Hello everyone,

I hope everyone is having an amazing start to their semester and are well prepared for the midterm season. I am here to provide your update for Region II for the month of October. So far this semester, we have been able to visit four of our campuses with more visits planned in the near future. We have enjoyed being able to meet with the students at our colleges and we can't wait to being to be an even bigger presence on the colleges in our region.

One area that were are going to be putting an intense focus on is delegate activation. As of writing this, we only have 5 of our 14 colleges activated, which leaves 9 of our schools without representation at the state level with the SSCCC. In order to combat this, myself and my regional team will be popping into SBA meetings to spread the word and hopefully getting the ball rolling on engagement.

We are also looking to hold a few regional summits across Region II over the next few months. If that sounds like something your campus may be interested in learning more about, please reach out to myself and our amazing Student Intern Hansen for more details. Have a great October, and I look forward to seeing you real soon!

Sincerely,

Kevin Hill

Regional Affairs Director

CAMPUS SPOTLIGHT

Santa Rosa Junior College

This Month's Spotlight...

Santa Rosa Junior College

Santa Rosa Junior College, located in Santa Rosa, CA, proudly stands as the 10th oldest public two-year college in California. Serving students from Sonoma and Napa counties, it is a distinguished member of the Sonoma County Junior College District. The college offers exceptional academic programs, a diverse range of career education opportunities, and robust athletic teams, with particular strengths in baseball, football, soccer, and wrestling.

Fun Fact!

Santa Rosa Junior College's mascot, Rosco, has represented the institution since its establishment in 1918, originally existing without a name. In 1949, a contest was organized to name the Bear Cub, leading to the choice of "Rosco."

OPPORTUNITIES

Get Involved!

Delegate Verification

Each college has a delegate who represents their college at the Regional Delegate Assemblies and General Assembly. If you are your college's delegate, please complete the

[Delegate Verification Form.](#)

MEET WITH YOUR LEGISLATOR

As a Region II delegate, you have the opportunity to meet directly with legislators in your area to share the SSCCC's goals and priorities. These conversations are a powerful way to advocate for the 300,000 students we represent and make a real impact on state policy.
