DELEGATE SPOTLIGHT

Butte College

I am currently a second year English major at Butte College in Oroville, CA.

I'm actively involved in the Native American Student Club on my campus as the Club President. I'm also a Student Assistant Lead in the Native American Center. I'm involved in my college's Student Senate as a Student Success Senator.

One of my goals as a Delegate is to advocate for a Native American caucus, which will help further amplify the voices of Native American students. Secondly, I plan to advocate for policies that uplift other underrepresented students at the California community college level. Lastly, I'm excited to work for my campus and strengthen the communication between Butte College and Region I.

NEW OFFICER SPOTLIGHT

Misael Triplett

Region I Treasurer

My name is Misael Triplett. I am your Region I Treasurer. I am also the Coast Center Representative for Mendocino College.

My major is in Political Science. I am currently learning how the government operates, with aspirations to one day work in government. This is a really exciting position for me because it is educating me on government structure, efficiency, and finances.
