

# REGION I NEWSLETTER

OCTOBER 2025 EDITION

## This Month's Announcements

Region I would like to welcome and congratulate our newly activated colleges this semester: Feather River College, College of the Redwoods, and Shasta College. Thank you to our new delegates for stepping into leadership roles and ensuring your campuses have a strong voice at the regional and state levels!

We're continuing outreach to activate the remaining colleges in Region I. If your campus has not yet appointed delegates, we encourage student leaders to connect with us so your college can be part of the decision-making process.

Region I is also looking to spotlight student initiatives and campus events in future newsletters. If you or your student government would like to be featured, please contact our Communications Officer at [comsregioni@ssccc.org](mailto:comsregioni@ssccc.org). Be sure to follow [@ssccc\\_regioni](https://www.instagram.com/ssccc_regioni) on Instagram for the latest updates, student highlights, and upcoming opportunities!

Note: this is an abridged version of President Reyes' original letter.

*Hello SBA Presidents,*

I hope this message finds you well. My name is Jerry Reyes, and I'm honored to serve as the President of the Student Senate for California Community Colleges (SSCCC) for the 2025–2026 academic year. As we welcome the fall term, I would like to take a moment to reintroduce you to the SSCCC, our work, and how we're here to support you and your students. As designated in state law, the SSCCC serves as the official voice of the more than 2 million students in the California Community Colleges system. Our mission is to advance policies that support access, equity, and student success, while empowering student leaders across the state to drive meaningful change on their campuses and beyond.

The SSCCC exists to represent and serve you, the students. Whether through advocacy, training, or leadership development, we are here to support your journey and elevate your voice. If your campus collects the \$2 Student Representation Fee, \$1 goes directly to the SSCCC to ensure that your voice is represented at both the state and federal levels. The more students who work with us, the better we understand what's happening on our campuses—and the more effective we can be together. Advocacy starts with you. Thank you for your continued leadership and commitment to your peers.

*Sincerely,*

*Jerry Reyes*

*SSCCC President*
