# From the Desk of the Communications Officer

## Dear Region IV,

Welcome to 2026! With a fresh year comes the chance to look ahead to the fresh opportunities for Region IV. We have plenty to look forward to in the coming year, and much to be excited about.

One particular note throughout the remainder of the '25-26 term will be our *March in March* event in Sacramento, where we'll be advocating for your needs through lobbying the state legislature. There is also *General Assembly*, which is an opportunity for leadership development, advocacy, and student-driven decision making. At this event, students are empowered to share ideas, shape policy, and come together to form a unified voice for community college students across California.

Here's to a superb 2026!

With gratitude,  
*George Little*
