ANNOUNCEMENTS

Hello Region VII!

As finals season approaches and the school year comes to a close, we would like to take a moment to remind you that you have made it so far—be proud of that.

Whether you are preparing for your last exams, finishing up projects, or just trying to stay afloat, know that you are not alone. It is okay to feel stressed, but do not forget to take breaks, stay hydrated, and make time for rest. Your well-being always comes first.

Summer is right around the corner, and so is the chance to reset, recharge, and celebrate everything you have accomplished this year. You got this! Wishing you clarity, calm, and confidence during finals. We believe in you!

LETTER FROM THE COMMUNICATIONS OFFICER

Alison Fu

STUDENT SENATE FOR CALIFORNIA COMMUNITY COLLEGES

1121 L Street, 600

Hello Everyone!

As we approach the final stretch of the academic year, I hope everyone is doing well! I want to give a huge congratulations to all the students who were accepted as transfers—your dedication and perseverance truly paid off, be proud of everything you have accomplished. To those continuing on at your colleges, be excited to see all the amazing things you will continue to do!

This month, I had the opportunity to table at El Camino College's Club Rush and present at East Los Angeles College's Associated Student Union Leadership Conference. These experiences strengthened my communication and public speaking skills while allowing me to connect with students and campus leaders. I also gained a deeper understanding of student engagement and the impact of leadership through outreach.

Looking ahead to summer, I encourage you to explore new opportunities, join summer programs, work on personal goals, or simply rest and recharge.

Serving as your Region Communications Officer continues to be a meaningful experience. I am grateful for every opportunity to represent you and to learn from each of you along the way.

Sincerely,

Alison Fu

Communications Officer
