LETTER FROM THE RAD

Chris Chandler

Hello Region X,

As we close out the academic year I want to spend this month's letter thanking our student body associations and delegates who have been actively participating in Region X this term! All ten of our student bodies within Region X have been incredibly active and engaged, and I'm thankful to have worked with so many amazing student leaders and advocates throughout San Diego and Imperial Valley!

I also want to congratulate those who are taking the next step in their academic journey by graduating or transferring! This moment marks a significant step forward, and on behalf of Region X I couldn't be more proud of you!

Graduation is a well-deserved celebration of your hard work, determination, and resilience. I'm sure over the course of this year, many of you have overcome challenges. In the process though, you have earned valuable lessons, and built memories that will stay with you for a lifetime. Now its time to embark on a new chapter, using the knowledge, experience, and skills you received while attending school in Region X. Just know that no matter what new school you end up at, we're still rooting for you every step of the way!

As always, I'm honored to serve as the Regional Affairs Director for Region X and I am excited for our future!

Sincerely,

Chris Chandler

Regional Affairs Director
